### **About the Awards**

The **Appraiser of the Year Award** began in 1964 and recognizes the appraiser that is seen as an outstanding leader for NAIFA. Candidates for this award include, but are not limited to, those that go above and beyond the normal commitment of a member, those that serve on a chapter level, community awareness level, and/or a national level.

The **Educator of the Year Award** began in 1995 and has recognized those instructors considered outstanding in their service to NAIFA, through their contribution to teaching skills, years of teaching, educational contributions, textbooks, courses written, and impact on students.

The **Paul A. Wetzel Outstanding Service Award**, NAIFA's most prestigious award, was created in honor of Past National President Paul A. Wetzel, IFAC, for his service, contributions, and accomplishments on behalf of NAIFA.
