

Preparing for Your Success is Important—Let ASA Help

COMPLIMENTARY ASA MEMBERSHIP FOR STUDENTS

Instructional time, internships, career fairs, job interviews...as you take the first steps into your career path, consider a FREE student membership with ASA.

ASA's Student Membership Program Provides students with an introduction into the valuation profession and benefits like:

- An impressive membership to include on your resumes
- Networking with appraisal professionals at local, national, and international conferences
- Free subscription to ASA publications
- Access to professional valuation-centric list-servs
- Potential jobs and internships through ASA members and ASA's free Job Board
- Members-only savings on education classes and further savings through ASA's Education Foundation grant program
- Members-only savings on school and office supplies, rental cars, hotels, insurance and much more

Requirements Eligible students need to be enrolled in a qualified* part-time or full-time post-secondary education program and NOT be working as an appraiser.

**"Qualified" is defined as taking at least (6) credit hours and/or (2) classes per semester minimum at an accredited college or university.*

Easy Application Process Complete ASA's Online Student Membership Application; and provide evidence of your student status. That's it!

Register at www.appraisers.org/student or (800) 272-8258
